Hi Patrick,

Tomorrow afternoon works great. I'll reach out to an ATSDR colleague who may want to join, and then give you call
Best,
Russ

Good Afternoon Russ,

Welcome to the Riverside Ag Park site investigation team(s) & thank you for your message.

Both Sara & I would very much like to meet with you to discuss our thoughts on the investigation and to share some of our findings with respect to PCB congener results from soil analysis.

Both Sara & I are available to meet with you in our San Francisco Regional Office this week if you're still available? We are both available on Thurs. 20 Oct after 1:30 pm PDT. Please feel free to give either Sara or me a call to confirm – we very much appreciate your willingness to come over to our regional facility.

Best Regards Russ,

United States Environmental Protection Agency

Hi Sara and Patrick,

It's good to virtually meet the both of you. As you likely know I work in the East Bay (in Richmond) near your San Francisco office. It would be great to set up a time soon to sit and chat with you both about your work and thoughts on Riverside Ag Park. I'm willing to make the short trip to your Region 9 office. In the next two weeks, I'm free this Thursday and Friday and next Monday, Wednesday and Friday. Afterwards I can make time most days except for Tuesdays.

Best,  
Russ

Hi all,

I mistakenly sent this to a different Gabrielle. Sorry for the repeat email. If replying to all, please use this email.

Hi Sara, Patrick, and Russell,

Attached is the Riverside Agricultural Park decision letter. As ATSDR's State Coop Partner, CDPH will work with DTSC and the Riverside Ag Park Off-Site Community Work Group to address the community's concerns.

If you all think it would be helpful, I can set up a meeting with the EPA Land Division team and Russell Bartlett, the lead Health Assessor at CDPH for this project. This meeting may help clarify EPA's role and give their background for CDPH.

Gabrielle! As I mentioned in our recent call, I am extremely pleased to have the opportunity to work with you again. Russ's unique skill set and experience with PACE-EH will be an asset to this project, and we believe that this assignment is an excellent fit.

I'll set up some time to discuss the site and bring you both up to speed very soon.

Thanks!

Hi Maryam –

I hope this email finds you well!

Please find attached ATSDR's decision letter on a petition from the City of Riverside regarding the Riverside Agricultural Park. As ATSDR's State Coop Partner, CDPH will work with ATSDR, DTSC and the Riverside Ag Park Off-Site Community Work Group to address the community's concerns.

I hope we can set up a phone conference in the near future with you and your team and I would also like to connect you with Russell Bartlett (cc'ed), Health Assessor, who will be the lead for this project.

We are looking forward to work with you again!

Sincerely

Gabriele
